Certified in the prevention of infectious diseases/ Member ISSA GBAC Certified

We are a nationwide company providing vehicle disinfection proved to be effective at auto events.

**“We’re your solution for disinfecting vehicles and exhibits”**

### Program A

**\$60**

Per vehicle, per day

**Daily Vehicle disinfection and maintenance @ \$60.00 per vehicle, per day.**

Vehicles are cleaned inside and out, disinfected prior to show opening and cleaned & disinfected hourly throughout the day up to one hour before show closing.

### Program B

**\$100**

Per vehicle, per day

**Vehicle Disinfection with Electrostatic Sprayers @ \$100.00 per vehicle, per application.**

Complete elimination of all pathogens from vehicle. This program is a disinfection performed once a day on each vehicle to completely disinfect vehicle prior to show opening. Program B does not include vehicle maintenance throughout the day, but can be paired with Program A to include maintenance services.

### Program C

**Dedicated  
Person**

**\$750**

**Dedicated Person @ \$750.00 per person, per day, up to 12 hours.**

This program is one person dedicated only to your exhibit to disinfect vehicles and exhibits at the high-touch areas on a continual basis. Program C does not include vehicle maintenance or cleaning dust and trash from vehicles, but can be paired with Program A to include maintenance services.

**Let’s Disinfect staff are trained and certified in infectious disease prevention and disinfection. We use disinfecting chemicals that are effective, but will not harm surface materials throughout a vehicle interior.**

**Let’s-Disinfect is fully insured with liability and workman’s compensation.**

*Let's Disinfect will act in accordance with the CDC and applicable policies and procedures for disinfecting and sanitizing vehicles. As a result, you are agreeing that Let's-Disinfect will not be held liable for any claims, causes of action, costs, or expenses that may arise from the events that we participate in. Attendees for the event must understand and accept the risks involved. Let's-Disinfect cannot be held responsible for any person contracting the Covid-19 virus.*
